MEMORANDUM:

I beg to return Telegram of the 11th inst. from Mr. Butler, the Acting Agent of Dominion Lands at Grouard, respecting Lot 15, Lesser Slave Lake Settlement.

On the File herewith there are several letters from the Acting Agent respecting the application of Xavier St. Arnault for a free grant for the Lot referred to.

The delay in this case would appear to have been caused by a search which is being made for a declaration by Mr. St. Arnault taken before the Half-Breed Commissioner in 1899, as it was thought that possibly Mr. St. Arnault made such a declaration, which, however, cannot be found.

In this connection please see the memorandum of the 25th March, 1909, submitting the case to the Commissioner, which, however, does not appear to have reached him.

I, Mary Ann Benjamina Chatterly Haydon

of the City of Toronto

in the County of York Widow

Do Solemnly declare that

I am the holder of Volunteer Bounty Land Certificate No. 4985 which is endorsed with the name of my son, Bertram Rudall Haydon, as my substitute

When I made application to have my said son entered as my substitute, it was my intention to give him the land to which I should be entitled under the said Certificate, but it has been found impossible to select lands under the said Certificate in the neighbourhood of my said son's present farm, and if lands at a distance from his said farm are selected he will be unable to make entry. I am therefore desirous of having the said Certificate cancelled, and a new Certificate issued

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of THE CANADA EVIDENCE ACT,

Declared before me at the City of Toronto in the County of York this Thirtieth day of September A.D. 1909

Dear Sir,- FILE NO. I. [illegible] 1789809

With reference to your letter of the 13th. inst. to Mrs. Sarah Beaumont, Gananoque, respecting South African Warrant, No. 2931 I beg to state that on the application to the Militia Department evidence was filed that the late Charles Ernest Beaumont died intestate leaving him surviving his mother, two brothers and two sisters and there was also filed an Indenture of Agreement signed by the two brothers and the two sisters nominating the mother, Mrs. Sarah Beaumont, as the representative to whom the Warrant should issue. There was no administration as there was no estate to administer and this bounty or gift of the Government is not a gift to the estate of the deceased but to some legal representative of the deceased.

I would submit that the Militia Department should on the evidence have been satisfied to issue a Warrant to Mrs. Sarah Beaumont simply without any addition as they had the authority and the request of all other parties who could have any interest and I submit that it would be imposing too much trouble and expense at this late day to compel an application for administration when there was no estate left

Please see if you can not arrange with the Militia Department and your own department to have the warrant issued to Mrs.

1789809

Sarah Beaumont without any addition, in so much as you have on record ample authority and protection.

Yours very truly,

19th February, 1909

Madam,

I am directed to inform you that since my letter of the 29th ultimo was addressed to you it has been decided that in all claims of legal representatives of deceased volunteers under the provisions of the Volunteer Bounty Act, 1908, the person claiming to be the legal representative of the deceased volunteer must furnish letters probate if he left a will and, if not, letters of administration.

It was thought when the form which you returned to this Department under cover of your letter of the 30th ultimo, was prepared, that it would be possible to save the applicants the expense of taking out letters probate or letters of administration as the circumstances of the case strictly demanded, but it has been found that this course of action is not possible. Therefore as your son died intestate it will be necessary for you to furnish letters of administration, or a copy thereof in case you wish to retain the original. The copy must, however, be one, certified by the proper officer of the Court from which you obtain the original letters of administration.

Ottawa 17th March, 1909,

Madam,

Since my letter of the 19th ultimo, with reference to the Warrant, No. 3685, which has been issued under the provisions of the Volunteer Bounty Act, 1908, in favour of "the legal representative of George d'Orsonnens, deceased," was mailed to you, it has been learned that letters of administration are not granted in such a case, in the Province of Quebec.

I am, therefore, to state that if you will obtain and file here a certificate from a judge or the prothonotary of your District that you are under the laws of the Province of Quebec the sole heir at law of your deceased son, you will be recognized here as his legal representative with regard to the warrant before referred to, and the usual certificate to locate land, under such warrant, will be issued in your favour as such representative without further delay.

Sir,

I am directed to return to you herewith South African Volunteer Bounty Land Certificate No.5688 issued to the Legal Representatives of George d'Orsonnens, together with instruments appointing Milo G. Moorehead the substitute, which, however, are signed by the attorney of the Legal Representatives referred to.

As Powers of Attorney are not under any circumstances accepted or recognized by this Department in connection with South African Land Grants, the instruments referred to cannot be accepted or registered in this Department.

Encls.

It will therefore be necessary to obtain ~~an~~ instruments appointing the substitute, actually signed by the personal representatives of George d'Orsonnens, and not by their attorney as was done in the present instance.

It will not be necessary, however, for the personal representatives to each sign the one instrument, as several instruments may be prepared appointing the same substitute, which can be signed by the several Legal Representatives, and for this purpose forms appointing substitutes are enclosed herewith.

MEMORANDUM

Mr. Hume

N.E.¼ 1-14-19-W. 4th M.
Pre-emption entry of John Kutrumo, deceased.
Application for patent made by the
Standard Trusts Company.
Payments completed
recommended.

The Standard Trusts Company have made application for patent for the land in question submitted Letters of Administration of the estate of Johan Kutramakhen, and executed a Statutory Declaration that the same Letters of Administration referred to the estate of John Kutrano.

The case was submitted by Mr. Davidson on the 13th ultimo.

As Letters Patent for the appurtenant homestead were issued to William Kutrumo as administrator of the estate of John Kutrano, the Standard Trusts Company was asked for a certificate from the Court to the effect that the Letters of Administration issued to William Kutrano have been cancelled and the Letters of Administration now issued to the Standard Trusts Company have taken place of the same.

The Standard Trusts Company now forwards here the certificate from the Court. The matter would have been much clearer if the last paragraph of the certificate were not erased. However, as it is stated in the certificate that the Letters of Administration furnished by the Standard Trusts Company are "in lieu of the Letters of Administration revoked as aforesaid" it appears to me that the identity has been established.

The application appears to be satisfactory in other respects, except that the land in question is incorrectly described by the witnesses as being S.E. ¼ 1 instead of N.E. ¼ 1; the S.E. ¼ 1 was the homestead of the deceased, and appears to have been sold.

My Dear Mr Oliver,-

I wish if you will to assist me a little with a matter of mine. The youngster bought some scrip last spring and paid for it in cash, located and filed his claim about the 22nd of May last, on the west half of section 34, T 20, R 13, west of the 4th. You rules state that six months of each three years must be put on the place, that gives him six months from the 22nd of May last. In the meantime the youngsters mother, my sister-in-law, died after a very long illness, and he had to be brought home. He therefore wants to get an extension of six months which he says you sometimes grant when there are exceptional circumstances.

I shall be glad if you will grant him the six months extension as he really had to come home to be with his mother in her last days, and he does not want to go out again until the spring, when he will do so.. He is a lusty hearty young farmer from Bronte and he will make good when he settles down. I shall be exceedingly glad if you can do this for me and write me to that effect. Kind regards.

Yours very faithfully

My Dear Sir,-

I have your telegram in reply to Mr Wickson's request for the extension, and asking if he put thirty days in on the land. I have a letter from him this morning in which he says, "I have really done no actual work on the place but I have put in more than thirty days getting it ready and arranging for horses, cows, machinery, household furniture etc, when I got the telegram to come home owing to the serious illness and subsequent death of my mother.

I think that this is a case where The Department might readily apply Section B, page 29, of the April 1909 edition of Departmental Rulings relating to Dominion Lands, as he certianly would have been all ready this fall had it not been for this maternal breavement. He has everything ready to go now if he must but he would sooner wait until the spring. He also tells me in his letter that there are several young farmers who will likely locate around him, and as he remarks "I want to make a success of it", I should be exceedingly glad if The Department can grant him the extension asked for,

Asking the favor of a reply, I remain,

Yours very faithfully

I am directed to acknowledge the receipt of your letter of the 26th ultimo, enclosing a notarially certified copy of the letters of administration to the estate of the late John Campbell Perry, and to refer you to my letter of the 17th February last by which you were advised that where the original letters probate or letters of administration, as the case may be could not be filed here, the copy to be furnished was to be the one that had been certified by the proper officer of the Court from which the original letters had been obtained. This statement was made in accordance with an opinion expressed by the Deputy Minister of Justice, and the only exception which is made is made upon the production of the original letters with the notarially certified copy.

If, therefore, you will submit the original letters of administration in this case the notarially certified copy thereof which was received here under cover of your letter of the 26th ultimo, will be compared with it, and if it is found correct - as no doubt it will be - the original letters will be returned to you, and a certificate to locate land under

The Hon. The Minister of the Interior,

O T T A W A.

My dear Mr. Oliver,

My nephew, Sergeant Campbell Perry, was killed in South Africa in the war and his father, John Perry, of Ida, Ontario, has been out letters of administration as is about to receive his scrip. Mr. Perry informs me that he has learned on good authority that the government intends to introduce legislation declaring that settlement duties will not be required in certain cases in connection with this scrip. Mr.Perry is seventy-four years of age and is unable to fulfil the settlement duties personally, and if the proposed legislation is passed, the value of the holding will be considerably increased.

I have undertaken to write to you on his behalf to learn whether the government proposes to introduce the legislation above indicated. It is, of course quite possible that you may not feel able to give this information, either because the policy of the government has not been determined because the proposal has not reached such a stage that information can be given to enquirers but if it is in your power to give me information, I would be pleased to hear you on the subject and any assurance that the government proposes to provide such an enactment will be greatly appre-

Sir,

I am directed to acknowledge your petition of the 22nd ultimo, requesting that the settlement duties required in connection with South African land grant be dispensed with in your case, as the Local Representative of your deceased son, John Campbell Perry, and in reply to inform you that it is regretted that it is not possible to comply with your request, as the conditions of the Volunteer Bounty Act, 1908, under the authority of which the land grant referred to was issued, must be complied with in all respects; and the Minister of the Interior has no authority to alter, waive or modify any of the conditions of the statute.

Should you not be in a position to comply with the regulations respecting land grants, it is not thought that you would have any difficulty in disposing of the grant in question.

Memorandum:-

Mr. Greenway.

W.½ of 22 - 32 - 17, W.4th.M.

Dr. Clark forwards a letter from J. E. Stauffer on behalf of Geo. B. Schultz of Airdrie, who he states located South African Volunteer scrip on the W.½ of 22 - 32 - 17, W.4th.M., in error.

He now wishes to abandon this location and place the scrip on other land, but such abandonment is not allowed in the case of a volunteer entry.

The range in which Mr. Schultz intended to locate is not mentioned, so that even if it were decided to consider his application for an exchange I suppose it would be necessary for him to give the number of the range, and also show that his present location was made through error.

Dear Mr. Clark,

In Mr. Oliver's absence I have your letter of the 14th ultimo enclosing a letter addressed to you by Mr. Stauffer concerning the application of Mr. Wm. H. Hewitt to purchase his pre-emption entered for in S.½ of S.E.¼ Sec. 11 Twp. 41 Rge. 4 W. 4th. Mr. Hewitt appears to have made his pre-emption entry on the 19th April, 1901, but did not commence to live upon his pre-emption until the 1st May, 1902.

I reply to say that there is no statutory power the Act by which persons holding a pre-emption entry may obtain a patent. The applicant is therefore prevented from so doing unless authorized by a statutory enactment. However, if Mr. Hewitt will send an exact description by section, township, range and meridian of the land which he intends to apply for a grant on and he will make a definite
